## PQDT SUBMISSIONS OPTIONS FOR UNIVERSITIES

ProQuest

PQDT SUBMISSION METHODS: AT A GLANCE

ProQuest ETD Administrator

Students upload to PQDT via ProQuest's cloud based workflow tool. Optional feed to IR
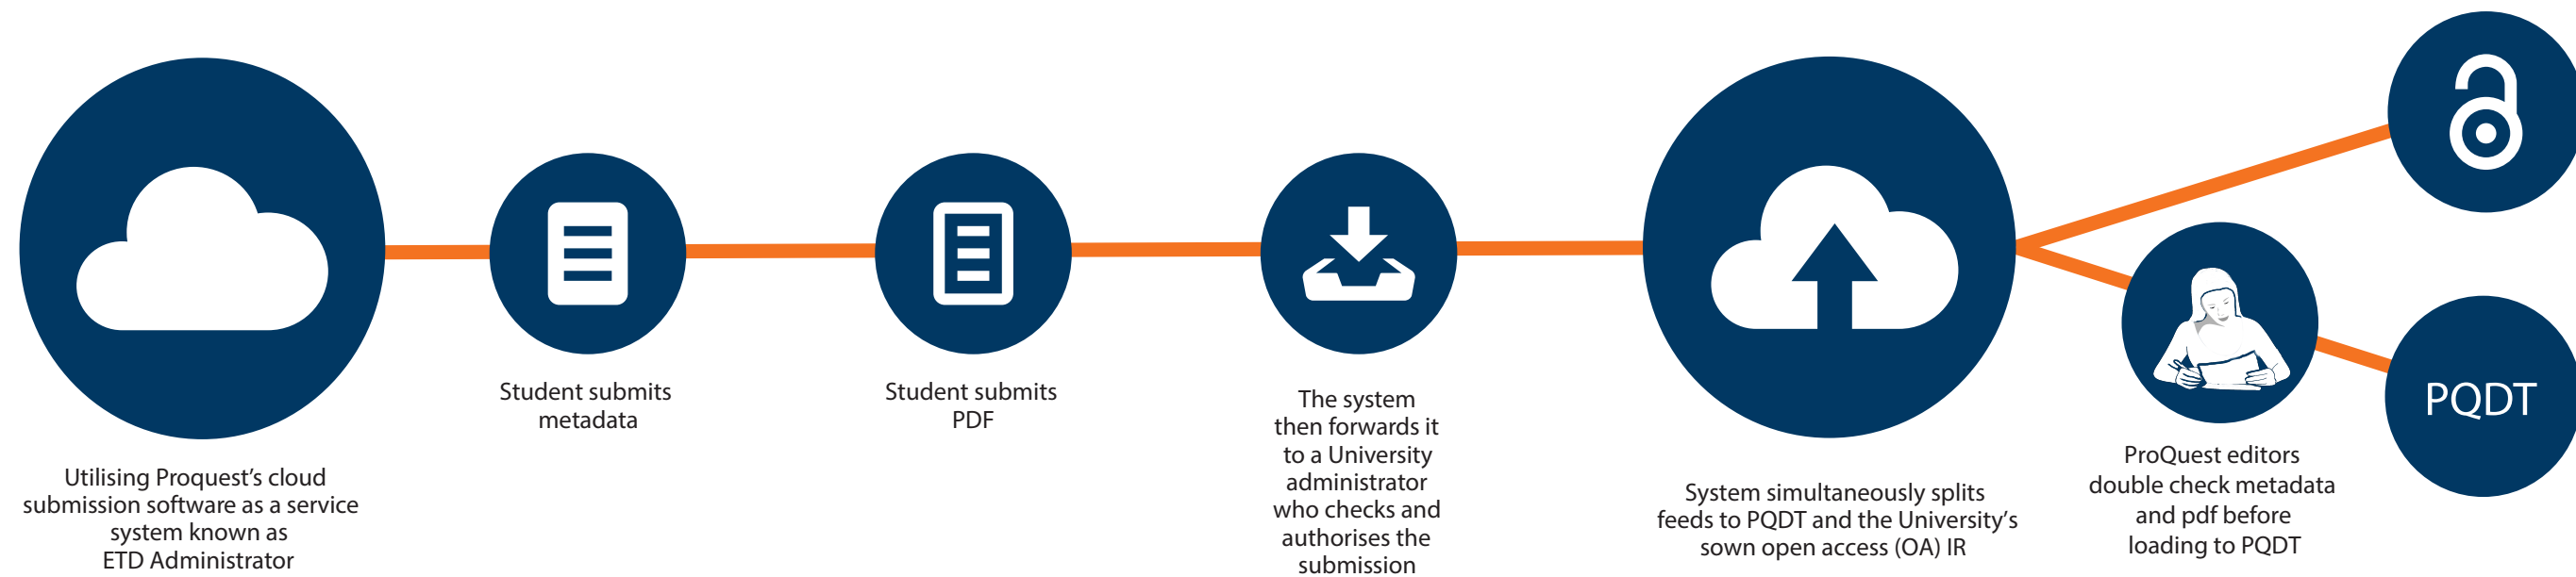

IR Submission + PQ FTP/ Harvest

University includes PQDT submission option to students within its own IR ingest workflow
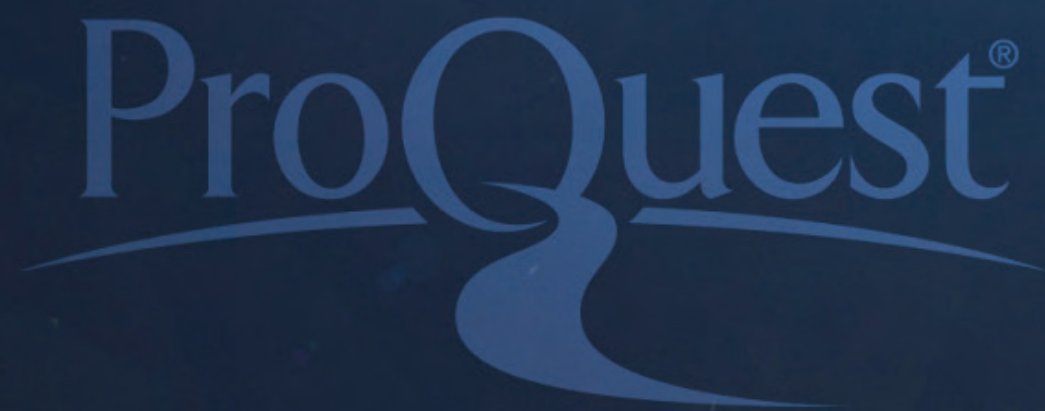

PQDT SUBMISSION METHODS: IN DETAIL
ProQuest ETD Administrator

Utilising Proquest's cloud submission software as a service system known as ETD Administrator

Student submits metadata

Student submits PDF

The system then forwards it to a University administrator who checks and authorises the submission

System simultaneously splits feeds to PQDT and the University's sown open access (OA) IR

ProQuest editors double check metadata and pdf before loading to PQDT

PQDT

PQDT SUBMISSION METHODS: IN DETAIL
IR Submission + PQ Feed Option

University uses its own internal system to collect student's theses

University amends its own submission system to include an option for students to submit via PQDT

Student sees the PQDT option, clicks "Agree" to the ProQuest agreement to send also to PQDT

ProQuest ingests the theses into PQDT either by harvest or FTP
